At Rhoadsland to Friends at Sandwich,

Dear Friends It is in my Mind to Send you these few Lines
with the Salutation, of my Love to you Desiring that with
Peace & Love may be Increased among you.
As for you are often in my Mind with our poor Fathers and
Elders who hath Borne the Burthen, and Heat of the Day
through many Exercises & Sufferings & keep their Habitation
in the Truth, and Left us a good Example, my Heart hath often
been Deeply Affected in a Remembrance of their fervent
Prayers & Supplications to the Lord in the Behalf of a succeeding
Generations that they might keep up the Testimony of Truth,
In all its several Branches, May all that Professors of same
Live in the Possession of it, that they may, to the good ground
Bringing forth the good Fruits. Dear Friends let not in the
Spirit of this World, with any of its ways Customs or Fashions
but keep in the Plain, Innocent Truth, and Live in Peace
and Love keeping the Unity of the Spirit with the Bond

Dear Friends and Brethren of this Quarterly Association
Meetings at Sandwich in New-England

Dear Friends
Our worthy friend Nicholas Jones from your part having
lately made a General Visit to us in the work of the Gospel
which we have heard that on his return home and
it pleased the Lord to remove him from this life

We are all very much affected by the loss of this
worthy friend and we are all very much affected by the loss of this
worthy friend and we are all very much affected by the loss of this

I sympathize with the friends who are
with you amongst whom the Lord dwells

Though we as a Society are numerous and through the favour of
Divine providence enjoy the free exercise of our worship yet
at heart that we honour the dignity of the Truth may be supported

Amongst us are too few that when the God of the Spirit of all
flesh sees meet to remove his faithful ones from the scene of
this life to a more quiet habitation we are deeply sensible of
the loss sustained as in the present case we think is verified

It is however a most comfortable reflection that the Father of
Mercies fails not: his Love and the Influence of his Spirit
in the Church in all ages which comforts the faithful and they
think in this time of trial that all prophets

Our dear Brethren Friends Let us who yet remain
in mutability have our Loyms girt a Bought and our
Lights burning feeling religiously after the image of God and
glorifying in him and his Word and his Kingdom
may it be the Spirit of the Lord in all its workings and
qualities from youth who walk in righteousness to the
end of the faithful and we are gone to meet them

May

53
 May we hope that the Everlasting arm may be revealed
 to continue us a people to his own praise that as the Faith
 And Constancy of our ancestors Justly animates us to walk in their
 Footsteps so our Example may be worthy of Imitation by ages
 yet to come In the Love of Christ our Redeemer we
 Affectionately Salute you and remain your Friends
 And Brethren

The above written is the Testimony
 Concerning Nicholas Davis

A Brief account of the Life and Death of our —
Worthy friend Nicolas Davis.

he Was Born at Sandwich the 28th of the 8th m^o 1690 —
But Lived the biggest part of his Days in Dartmouth &
Rochester. he Came forth with a Living testimony in the —
ministry before he was twenty years old. in which he grew
Very fast and Soon Became an able Skillfull minister
of the Gospel. Discharging the word of truth a Right. he was
Something Fearful against obstinate offenders. But to those
Under affliction his words was as healing Balsam &
his speech as the Dew of heaven on the tender Grass —
he strove to Live in Peace with all men. and was Genera-
lly Well beloved by those with Whome he was acquainted —
Especially his Neighbors and more Especially his friends of
the same Denomination. he Travelled pretty much in Visiting
his friends in New England. and was Very Serviceable in
Building of them up in the most holy faith. and was made
Instrumental in Convincing ~~of~~ Some of the Blessed truth. he
was a Zealous attender of Boorth first Day and week Day
meetings and always observed to be there in Good Season. a
Great Lover of honest hearted friends But always obdure —
hypocricy in any. he travelled twice into the Westward parts
of north America in the Service of truth. once he went so
far as north Carolina where he made a General Visit among
friends. his Service according to the Best account we have
was Very well accepted. Before he proceeded on his Last
Journey into them parts we well Remember he appeared to be
Quite Resigned and Given up to the will of God. and was wearied
Very much from the things of this world. he took with him
for his Companion his Worthy friend & kinsman Adam
Mott they were kindly received by friends where Ever
they came and there Service was Very kindly accepted
by the honesthearted as appears by the Certificates from —
Several monthly meetings in them parts where they travelled
as well as from a testimony from the Quarterly meeting.

of Chesterfield In Burlington County In West Jersey.
after they had Visited Pennsylvania and the Adjacents parts
they proceeded on their Journey for oblong. where they arrived
Safe and Visited Several meetings thereabouts. he was —
taken Sick of a fever at the house of Williams Russels
his Distemper Increased Very fast there were Several
Physicians Improved but to no purpose. At Seames the Service
the Lord had for him was Done and he Designed to remove him
out of a troublesome world into one free from the Disquietudes
that attend this. where there is perfect peace forevermore.
While he had the free Exercise of his Understanding he often
would be speaking of the Concern he had for the prosperity of
the truth he bore his pain with Great patience and Resignation
Even to his Last moment. In a Letter wrote to his Wife
In the time of his Sickness we find Something ^{this} to affect (viz)
I feel a Degree of willingness to be Submissive to the will
of God Whether in Life or Death. and Do much Desire
thou may be made willing to be made Patient & Submissive
to his will. & Greatly Desire thou may in an Especial —
manner be Very Carefull towards the Education of our
Children to bring them up in the Nurture and admonition
of the Lord. that they may be kept out of Shame misconducted
Unchristian Like young peoples Company. Endeavouring at suitable
times to instill Into their minds Principles of Patience temperance
meekness and Sobriety, that they may be made fit Vessels
for the Holyghost to dwell in. In another Letter wrote in the time
of his Sickness to his Children we find these words (viz)
I hereby Let you know that as I am Doubtfull Whether I
shall Ever See you more there Irests Something on my mind
to write to you by way of advice I Greatly Desire may not
Be forgotten. and that is as you have a tender affectionate ecc
mother who is Desirous you may Do well. there fore Dear Children
Be obedient to her in all things in the Lord and Submit
to her Council and advise at all times in Love to her
and also Indevour to ~~to~~ Live in Love (turn over

Love and Peace one with another at all times and Let—
Not any Contentions or heated thoughts divide one against
another by any means But be helpfull one to another.
And be Exceeding Carefull to attend week Day meetings—
and Encourage others also and Endeavour to Let all things
be in Good order in the Church. he would Some times
In the time of his sickness which was but Short—
Desire those about him to be Still and Quiet that
they might have a time to weight on the Lord in
Silence. and he would Some times open his mouth in
Prayer and Supplication in a Living and Powerfull manner
and Some times gave those that stood by a word of
Exhortation and advice in the same Life and Power.—
Thus he finished his Course and Departed this Life at
oblong at the house of William Shapels the 7th of the 10th
month 1755 In the 65 year of his age. and we believe
Is Entered into that Region of Light where the weary are
at Rest. he bore a publick testimony, upward of forty
six years and hath Left behind him an unblemished
Character.
